So-Called Atomic JOY BUZZER

Tickles and seems to shock them. The Joy Buzzer can be concealed in the palm of your hand after slipping a ring over one of your fingers. When you shake hands with anyone they touch off a mechanism that causes them to tickle, which to some seems like a shocking sensation.

THROW YOUR VOICE IT'S EASY TO BE A VENTRILOQUIST

Learn how to throw your voice—without moving the lips.

PLAY JOKES—CONFUSE PEOPLE

Send people into gales of laughter as you throw your voice down the sink drain, under the bed, into the closet. No one knows where the sound really comes from. Think how surprised they'll be when they learn YOU can throw your voice!

COMIC BUTTONS

These comic-celoid buttons are about 1 inch in diameter, very colorful.

They come assorted so no specific motto can be supplied, but in any one order no two buttons will be sent with the same motto.

POLICE WHISTLE

Here at last! The genuine rubber, raspberry blower! Cause an uproar in any classroom with blaring raspberry. When some long-winded speaker takes too much time, blast his ears with a loud braying Bronx cheer. Howls of laughter and good-natured grinning will be your reward. A real last-getter!

NOTE: Should any item become no longer obtainable we will send an item of equal fun and equal value in its place.

MINUTES LATER, THE "BIG SPENDER" REACHES HIS DECREPIT DIGS...

THERE! ONCE I DESTROY THIS DISGUISE, THERE'LL BE NOTHING TO LINK THE MOLTEN MAN WITH THAT ESCAPED GEM THIEF!

THE ONLY THING WRONG IS-- I ESCAPED EMPTY-HANDED! IN THE EXCITEMENT, I LEFT THE LOOT BEHIND!

SO SPIDER-MAN FOULED ME UP ONCE MORE! BUT IT WON'T HAPPEN AGAIN--

--CAUSE IF IT GOES, I'LL FINISH HIM OFF --FOR GOOD!

WITHIN SECONDS, THE AMAZING WEB-SLINGIN' ADVENTURER IS BACK ON THE PROWL AGAIN AS HE HEADS FOR A SEEDY ROOMING HOUSE, NEAR THE WATERFRONT...

IF I REMEMBER RIGHTLY, THIS IS WHERE MOLTEY LIVED THE LAST TIME WE FOUGHT!

NOTHING'S CHANGED MUCH! NO REASON TO THINK HE MOVED ANYWHERE ELSE. HE PROBABLY STILL LIVES HERE!

THE PLACE IS EMPTY NOW-- BUT THAT DOESN'T MEAN ANYTHING!

WHILE, IN A DIFFERENT NEIGHBORHOOD, WE FIND OUR FABULOUS, FRUSTRATED FRIEND...

NO SIGN OF HIM ANYWHERE!

WHOEVER HE WAS, HE GAVE ME THE SLIP THIS TIME!

THEN, RETURNING TO HIS NORMAL IDENTITY OF PETER PARKER, THE YOUTH READS A FRONT-PAGE ACCOUNT OF WHAT HAS JUST TRANSPIRED...

ACCORDING TO THE JEWELRY STORE CLERK'S SWORN STATEMENT, THAT WOULD-BE ROBBER CRUSHED A REVOLVER IN HIS BARE HAND!

AND I BELIEVE IT! THE WAY HE WHOOPED ME, HE'S MORE THAN AN ORDINARY EVERYDAY CROOK!

NO HARM IN WAITING AROUND FOR A WHILE AND SEEING WHAT HAPPENS!

THEN, BEFORE TOO VERY LONG... A LIGHT JUST WENT ON! HE'S BACK!

I WAS RIGHT! HE'S LIVING HERE AGAIN!

BUT, I STILL HAVE NO PROOF THAT RAXTON IS THE MAN I'M AFTER!

BUT, HOW MUCH MORE? THAT'S WHAT I'VE GOT TO FIND OUT!

THERE WAS SOMETHING DISTURBINGLY FAMILIAR ABOUT HIM-- I ONLY COULD PUT MY FINGER ON IT--!

HE COULD EASILY HAVE BEEN WEARING A DISGUISE-- SO HE MIGHT HAVE BEEN ALMOST ANYBODY! PERHAPS EVEN SOME FORMER ENEMY OF MINE!

BOY, HE SURE PACKED A PUNCH LIKE IRON!

IRON! IRON'S A METAL! AND HIS PUNCH FELT LIKE METAL!

IT'S A LONG SHOT-- BUT IT COULD BE-- THE MOLTEN MAN, I'D BET ON IT!

A HALF HOUR LATER...

HE'S GONE TO BED! THIS IS MY CHANCE!

I'LL JUST STICK ONE OF MY LITTLE "SPIDER TRACERS" BEHIND THE LAPEL OF HIS JACKET-- THERE!

THAT'S THAT! NOW IT'LL BE A CINC FOR ME TO KEEP TABS ON HIM! NO MATTER WHAT!

YOU'D BETTER FIGURE FAST, CHUM-- BECAUSE I DON'T INTEND TO HANG AROUND HERE WAITING FOR YOU MUCH LONGER!

YOU! NO! IT-- IT ISN'T POSSIBLE!

IT ISN'T? THIS IS A FINE TIME TO TELL ME!

AND NOW, LET'S SEE --WHERE DID WE LEAVE OFF--??

RIGHT HERE! WITH ME MAKING SURE THAT YOU'LL NEVER INTERFERE WITH MY PLANS AGAIN!

UNHHH! I DESERVE THIS FOR BEING SO CARELESS! I NEVER EXPECTED HIM TO ATTACK SO FAST!

Hi Gang! Let's face it, I'm a Marvel Madman too! Here's my hard earned buck! Rush all your nutty gizmos to...

MARVEL BULLPEN BULLETINS!

MORE MIRTHFUL, MONUMENTAL, MIND-STAGGERING MEMORANDA FROM YOUR MARVEL MADMEN!

HOW ABOUT THAT! Have you noticed how everybody seems to be talking about Marvel lately? Ol' smilin' Stan was interviewed on the Tony Marvin radio program "The World Today" (Mutual Network) in the early part of October, and has a number of other interviews scheduled as well. The Sept. '65 ish of *ESQUIRE* included the Hulk and Spidey among the 28 people who count most on campus! Other national mags, too numerous to mention here, have also been spreading the word about Marvel, while many collegiate publications (including U.C.L.A.'s *PELICAN*) have asked for permission to do write-ups about the merry Marvel craze which is sweeping fandom! We kinda thought you madcap Marvelites would like to know the company you're in!

DIDJA KNOW! Didja know that you serious collectors can build a complete file of all our early super-hero stories by not missing an ish of the sensational giant-sized 25¢ **MARVEL COLLECTORS' ITEM CLASSICS** on sale every three months! (Of course, I'll take a few centuries for us to reprint ALL our early epics in this manner, but think of the fun you'll have growing old with Marvel!)—Didja know our mailing list has been running a zillion to one in FAVOR of continued stories, although we've been printing more of the negative reactions because they're usually more provocative!—Didja know that lots of Marvelites have been coloring the drawings of our cavortin' characters which appear on your Marvel stationery kits, and they look terrific that way! Just a suggestion, pussycat!—Didja know that the first Dr. Strange to appear in the wonderful world of Marvel was actually a VILLAIN! He was featured in one of our earliest Iron Man yarns. (And don't embarrass us by asking which ish—naturally we've forgotten!)

STRICTLY PERSONAL! STAN G, our curly-haired, mustachioed demon artist/colorist has just drawn an ad for one of the biggest soft-drink companies. (Its initials are No-Call) if you're in the Times Square area, you can see it on the biggest billboard in sight. Otherwise, you'll have to wait till it gets to your neck of the woods. But, you can't fail to recognize it—the gals look like the dolls from the *MILLIE THE MODEL* mag—which Stan draws, natch!... How many of you know that *MICKY SPILLANE*, the world-famous author of the *MIKE HAMMER* series, used to scribble scripts for the Marvel bullpen? In fact, Mike once advised Stan to take a comic script, jazz it up just a bit, and he'd end up with a swingin' novel! Well, maybe one of the days—I Remember Ol' **BILL EVERETT**, the Golden Age great who created *SUB-MARINER*, and who also did the first ish of *DAREDEVIL*? Bill is hankering to rejoin the bullpen again, on a permanent basis, and we're all hoping he will! His style is as exciting as *KIRBY*'s, as different as *DIT-*

KO's, and as unforgettable as *AUSTIN*! More about Bill later... **ROY THOMAS**, our newest Marvel maniac, is probably the only editorial staffer who can read hieroglyphics! (Although it's been so long since he tried, that he now claims he can just barely remember the diff between an owl and an ibis!) Next week we're gonna try him on Sanskrit! (Although who could tell if he did it right or not?)

DEPARTMENT OF UTTER CONFUSION! As most of you know, our Marvel masterworks are sold in practically every part of the free world! Whether you live in South Africa or Siam, Paris or Portugal, you've no excuse for missing an ish! (And we're checking on you every minute!) But, did you know how each country changes the various names in each mag? For instance—*Marvelmania* has been sweeping most of Mexico these days. But, in translating our yarns into Spanish, some of our syncretized super-heroes are re-christened in this way: The *HULK* becomes *La MOLE* (the syllables, meaning bulk, or mass!) The *THING* finds himself called *EL COLOSO* (the colossal one!) And *DAREDEVIL* is translated as *EL DYNAMO*! (This incredible information is unconditionally guaranteed to do you absolutely no good whatsoever!) Wait! There's more! Guess what *DR. STRANGE* is known as, south of the border? Aw, someone must have told you! How'd you know it was *DR. CENTELLA* (Dr. Sparks)? Anyway, our tantalizin' titles are sold thruout Latin America with one exception—the bearded one has banned all comic books in Cuba as subversive literature! That's probably the nicest compliment we've had all year!

Since we've just about run out of room, we'll leave you now with these imperishable words of Irving Forbush: "Maybe a Marvel mag isn't as edifying as the complete works of Shakespeare, but it's a lot easier to carry! So, in the name of erudition, MAKE MINE MARVEL!" 'Nuff said, aficionado!

THE SPIDER'S WEB

SEND YOUR LETTERS TO:
THE MARVEL COMICS GROUP, SECOND FLOOR, 625 MADISON AVE., NEW YORK, N.Y. 10022

Dear Stan and Steve,

I like your comics very much and have collected many of them dating back as far as 1962—especially SPIDER-MAN. As a matter of fact, if I hadn't liked them I would have sent all thirty of them back to you, and after reading the last few, I still might. Tonight I have just finished reading SPIDER-MAN #31 and after reading the last four issues I've become a bit distressed, and even worried! It's becoming ironic, even pathetic at times. What's happened to the old Spider-Man we all knew and loved? Let him have some fun! As a member of the M.M.M.S., I demand my rights. I want to see Spider-Man become happy again—or at least let Pete be happy. If I want to read something serious, I'll read *Great Expectations*. Please don't have a repeat of high school—let Pete have a few good friends. So until we meet again—"May the bird of paradise keep thy webbing untangled."

Victor L. Morgan, 1411 W. 8th St.
Wilmington, Dela.

Thanks, Vic! Know something? We kinda envy you! We wish we had time to read *Great Expectations*! We don't wanna sound disloyal to hard-workin' Stan, but that Charley Dickens really sends us! (We know that wasn't the point of your letter, but it's a lot easier than answering your objections! Nyahh!)

Dear Stan and Steve,

I just finished reading the Spider's Web in SPIDER-MAN #31. A costume that's green and yellow? What does that fan want—a peacock or a Spider-Man? Spider-Man is a night roamer and I don't think the colors green and yellow would help him remain the unseen guardian he is. If you changed the color of his costume he wouldn't be the same Spider-Man. The story was very good. I like the way you have Parker ignoring Gwen Stacy. Also, Ditko's girls look much better in the close-ups.

Sam Morrell, 6281 Taylor Rd.
San Bernardino, Calif.

But don't tell him that, Sammy! It would be just our luck to have Steve decide to give up Spidey and become a romance artist!

Dear Stan and Steve,

I am writing to tell you that you are very clever people, you are very funny people, and you must not even be people because people just aren't that good. I had been craving a good adventure comic for many years and hadn't found one. Anyway, my younger sister had this pile of comic books and my brain reeled at the thought of a possible adventure one. So I picked up a few wild-looking covers and the first I opened announced Kraven the Hunter on the cover. We all realize that some of the language in comic books is not for Shaw readers, but you do right well in adapting to your audience. Suffice it to say (swell phrase for a high-class fan letter) that I enjoyed the composition as much as a Peter Sellers movie or a Charles Beaumont story. The propaganda you distribute so ably concerning brains versus football heroes deserves mentioning. Consider it mentioned. I hope you men are writing in other than comics, despite deadlines and paychecks. You have so much talent—and the ability to transpose the talent through masterful technique into a razor-sharp result enabling a good many people to be entertained by a much higher level of satire and pure adventure than television can offer. On this grand note I shall close.

Ann Neckameyer, 3909 W. Lorna Lane
Phoenix, Arizona

Gosh, Annie, can't close on our account! Swell-headed Stan says he can read letters like yours all day long! Many thanks, gal!

Dear Stan and Steve,

I have just finished reading SPIDER-MAN #31 and I have the answer to the fan who said that we were all getting poorer because you're making marvelous merchandise

faster than we can afford it. Well, why not just take your time and buy an item when you can afford it? Marvel will still have the stuff when you're ready to buy it. (I want the no-prize that's on the second shelf—third from the left!)

Brant Hollingsworth, 7400 4th N.W.,
Albuquerque, N. Mex.

Sorry, Brant. Artie Simek just earned that one by doing an entire page without a lettering mistake! But we'll reserve the one on the third shelf for you. We've already printed your name on the no-label, and as soon as we can buy some airmail no-stamps, it'll be on its way in no time at all! (Kinda chokes you up, doesn't it?)

Dear Stan and Steve,

You surely give Spidey enough problems. I don't know how you can think of so many each month. Imagine—in issue #31 he got in trouble with almost all of his teachers, he gave everybody in school the wrong impression of him, he got in trouble with Betty, and his dear old Aunt May is sick with little time left—not to mention failing to capture his enemies! Don't you guys in the bullpen ever celebrate "Be Kind to Spider-Man Week"? Oh well, I guess things will turn out all right, even if Spidey has to buy a Brand Echh comic to conquer everything. I don't think anyone is left in this world who would buy one of your competitors' comics even to save their dear aunt. Would any of you in the bullpen do that??

Brad Reddersen, 710 Raleigh Road
Glenview, Ill. 60025

Not if they wanna keep working here! Aww, we're only kiddin', Brad! We're sure our competitors must have some titles that are worth buying! The fact that we've never found any probably just means we haven't been looking hard enough!

Dear Stan and Steve,

Spider-Man is really the best super-hero a guy could think of. His life is so tragic that I sometimes cry while reading it, and this is what makes him more realistic than any other super-hero. He is great! My friends and I read your mags so much that we spend half our pocket money each week buying them from many bookstores in Beirut. This is a disaster, but we can't help it! By the way, Stan, what about leaving that typewriter of yours and coming to spend a vacation in sunny Lebanon??

Tony Bikhazi, American University of Beirut
A.U.B. P.O. Box 121, Beirut, Lebanon

Stan would love to, Tony! And maybe someday, if he figures out the combination to that padlock we keep around him—I By the way, we can't bear the thought of you cats spending half your pocket money on our mags! (We wanna know what you're frittering the other half away on!) So, we're sending you a complimentary subscription to ol' Spidey, just because we're proud as punch to have so many fans at the American University in far-off Lebanon! Good luck to all you web-spinners from all of us stick-in-the-mudders!

Dear Stan and Steve,

Please, I ask you as a dedicated Spider-Man fan, for every honest-to-goodness Marvel madman, knock off Aunt May! I mean, after all, what type of teenager, no matter how special he may be, could stand an ugly nag like her? If nothing else, she's nothing but a problem to him. I didn't mind good Uncle Ben (and his converted rice), but you had to do away with him. Now that nasty old witch is pushing our poor hero around and making him nuts. If you don't get rid of her soon, we may find our web-headed friend in the looney bin someday. You can be nice about her death. Just have Aunt May trip on her crutches, or choke on one of her beauty pills, or even have a heart attack after reading this great letter. Speaking as spokesman for the "I Hate Aunt May 'Cause She

Is A Trouble-Making Nag" Society, I want you to know that if you don't do something soon, we may be forced to picket the Baxter Building until we get the Fantastic Four to do the job for us. Remember, the Thing has an Aunt Petunia, but she doesn't boss him around (that's 'cause he's bigger and uglier than she is), so why does Pete Parker have such problems? I hope by the time you receive this letter the old witch will be gone. We can't take much more of her and I bet Spider-Man is getting pretty sick of Pruneface himself! This is not a threat, although we do have several cans of DDT in case of emergency. (Only joking!) Spider-Man is by far the best comic and we think he's really marvelous. Only please, let's rid the world of that awful menace known as Aunt May.
Jon Brant, 7 Bromley Dr.
West Orange, N.J.

Are you kiddin', Jon? Do you want us to lose half our fans? We've been told that mischievous May provides the romantic interest for our older Spiderphiles! Just wait! You get fifty or sixty years older—you're liable to think she's a real pussycat!

Dear Stan and Steve,

Now that your comics have become controversial enough to appear in *The Village Voice*, *Cavalier*, and to get Spider-Man's and the Hulk's picture in *Esquire* as two of the twenty-eight people who count the most with the teenage and college rebels, I feel you should take a serious stand. My main concern is Spider-Man. Will he enter adulthood as a super-hero defending the United States, giving money to charities such as orphanages and hospitals? Or (as I so desperately hope) will he go through college and become the first intellectual, left-wing liberal super-hero, helping to stop wars, supporting S.N.C.C., C.O.R.E., and the N.A.A.C.P., singing songs of Bob Dylan, and every so often commenting on the works of Jean Paul Sartre? Spider-Man has the potential to become the greatest comic hero of all times! Already his followers have disregarded the other group of phony super-heroes. As a member of the M.M.M.S., I would like to urge you to give Spider-Man a break. Don't push him into manhood too quickly. Give him a chance to develop into a super-hero with a mind of his own, a personality, and, at least, a better judge of clothing. The choice, gentlemen, is up to you.

Art Rayeson, Stockbridge School
Interlaken, Mass.

You present a powerful, persuasive case, Artie, but before we make a decision, we'd better hold off until the next mail arrives. We've got a hunch the John Birch Society may demand equal time!

Dear Stan and Steve,

SPIDER-MAN #31 was good. What did you say??—only good? That's right—just good! First, the cover. I'm not quite sure about the cover. It was so different that I don't know whether to frame it or throw darts at it. I think it would have been better to make the spider-beam a bit larger and give the spider a bit of color. But now to the story. I'm positive on this. First, you sent Pete to school—excellent. Next, dear ol' Aunt May gets ill. Also fine and dandy. Peter is upset, naturally. Peter goes to school next day—and Stan, why oh why did you do it again? Pete is

number one on the Hate Parade. All through high school he was disliked. Now, with a chance to start over fresh, make friends and the like, you shoot him down again. He has a few friends and then, bingo, everyone hates him again. Please, please let him be happy for once! Now if Aunt May dies, don't make him suffer and grieve forever. Let him get over it. Also, the Master Planner is great—very mysterious. Good work. One last word—Steve, I thought your picture of Eternity in *STRANGE TALES* was tremendous!

Bob Johnson, 801 N. Ball
Owosso, Mich. 48867

Glad you stopped there, Bobby! We were afraid you'd start saying that Doc Strange is too unhappy, also! Anyhow, bear with us, frantic one! We may find a way to make Pete happy later on—if we get careless!

Dear Stan and Steve,

I just read the fabulous five-page article on the merry Marvel Comics Group in the September issue of *Cavalier*, and it was great! It pointed out facts about Marvel that I'll wager even merry Marty Goodman didn't know, and it gave deserved recognition to the greatest thing that's ever happened to comics—namely, the Marvel Age of Comics. Who would have ever dreamed that a Fawcett publication would contain such wild praises for Marvel? Congrats, though, on being the first comic publishing house (as far as I know) to have an article published about it in a nationally known magazine. (I'm sure most fans will overlook the slight boo-boo that the writer of the article perpetrated—namely substituting the Hulk's name for that of the Thing, but don't let bashful Benjamin find out!) If you want to read a letter containing only praise, skip this part. Otherwise, read on. In a reply to a fan's letter in one of your recent lettercols, you stated that comic books—Marvel comic books—did not even approach the level (value-to-reader-wise) of the classics and other "good" books, and that Marvel Comics were strictly for fun and of little real value. Good grief! I don't care if you are the publishers of Marvel Comics—who are you to judge their literary value? Who are you to say that an issue of *F.F.* or *SPIDER-MAN* is of less importance to the reader of such than, say, the third act of *Macbeth*? Don't get me wrong, I'm not trying to place Stan Lee on a level with Bill Shakespeare. I'm merely saying that, just because stories are published in a form usually considered to be strictly for entertainment, their value is not necessarily null. Whether you are aware of the fact or not, a person can gain an insight into some of the complexities of the human struggle for existence from a lowly SPIDER-MAN comic book that he could not get from a careful reading of *Hamlet*, just as he could gain some knowledge from *Hamlet* that he could not get from Spider-Man. Do you follow me? Nuff said! All your current issues are great as usual. It's getting monotonous. Couldn't you publish just one poorly done issue for a change? S.H.I.E.L.D. will be the success story of the year (or I'll be a monkey's U.N.C.L.E.). In the "Should Marvel heroes battle Reds?" controversy, I'm for anti-communist stories. I do, however, favor stories that picture communists as human beings rather than demons or monsters. Use your own judgment.
Mike Malson, 2007 Dahlia
Amarillo, Texas 79107

We love ya, Mike! You're one of the first fans extant to admit that we have any judgment! As for your philosophical peregrinations in the realm of candid creative critique, Stan wants to know why you're not putting him on a level with Shakespeare? He's wondering what you don't like about ol' Will!

NEXT ISH: There's something different coming up for you in our next great Spidey saga! These past couple of issues have featured the return of former villains, but—in SPIDER-MAN #36 we've got a brand new one all powered-up and rarin' to go! We think you'll really go for—our mystery man! Y'know, it took us longer to dream up a name for him than to write the story itself! At first we were gonna call him *The Meteor Man*, and then—but, you'll learn all about it for yourself next ish! Till then, don't wiggle your webs, and face front!

Or is your problem a body sagging with soft rolls of unhealthy, handsome FAT? Puny muscles—sagging stomach—bloated face—arms heavy with layers of BLUBBER? Are you ASHAMED to go to the beach and let them see your "FAT-MAN PHYSIQUE"?
If so, wake up fella! THIS IS IT! I will peel off that fat and give you a lean virile DYNAPLEX BODY, armored with a sheath of hard tough handsome muscle. I can build you into a healthy streamlined HERCULES—bursting with dynamic manly strength. I'll give you a tauk rock-hard midsection—less muscled like coil steel springs. I can back solid DYNAMITE into your fats and give you a rugged handsome build brimful of the magnetic SUPER BODY APPEAL. And with NO starvation diets—NO fadling calisthenics—NO expensive health-foods!

HOW DYNAPLEX BUILDS BEAUTIFUL BODIES

DYNAPLEX is the modern miracle of body-building. It takes no tiresome exercises, "crash" diets, protein foods, and no weights of bar-bells. It takes no time! In the amazing discovery of a West German Doctor whose researching into the Science of Strength led to a startling new way to build GIANT BRAWNY muscles in ten minutes a day. With DYNAPLEX you "flex" each muscle once—in a certain way—that is more effective than if you exercised that muscle 20, 30, even 100 times the old-fashioned way. With DYNAPLEX you get bigger results in ten minutes than after hours of grunting and groaning, heaving heavy weights.
DYNAPLEX coats each muscle in your body to bring out its round, steely fullness and satiny symmetry. DYNAPLEX packs that muscle with glowing vibrant new strength and energy—FAST. In ten minutes a day I can cover your lony frame with healthy rippling muscle—give you a deep, powerful chest—solid shoulders and iron wrists—lough, slim midsection—and trim, steel-spring legs—simply thru "DYNAPLEXING" each muscle once a day. There's nothing wrong with the bar-bell and weightlifting method—but why bother? Why waste time and money, why sweat and strain your way to a streamlined symmetrical SAMSON-STRONG BODY—when you can do it better—easier—faster—easier with the DYNAPLEX SECRET?

STRONG-MAN BODY THAT'S ADMIRABLE!

Be honest. Down deep you KNOW you envy the boy with the virile, magnificent build. Every man and boy secretly desires a broad brawny back, a solid man-muscled chest, handsome he-man shoulders, arms rippling with tough, steely sinews, a narrow waist, slim hips and springy, power-packed legs. Be a fellow with TWO-PISTED BIG MUSCLE APPEAL... they only laugh at skinny guys or "fatso's".
Let me give you a glowing new body, brimming over with energy and irresistible inches of solid muscle on your chest—he-man appeal. I can build three inches of beef and brawn on your shoulders. I will mold you a handsome super-body of terrific strength, give you a crushing grip, legs crammed with steel springs. A lean tauk rock-solid punch-proof midsection. Pack your body with energy and stamina that will help make you popular.

GIVE ME TEN MINUTES A DAY —THAT'S ALL!

After DYNAPLEX, you'll be able to roll up your sleeves and take off your shirt and be the first in your life, you'll be PROUD of your manly build. Yes, pal, say goodbye to your weak, flabby frame—get ready for adventure and romance with a solid physique that glows and vibrates with virile he-man appeal. You'll have the two people stare with envy and jealousy—when friends crowd around to squeeze your iron biceps or touch your bulging brawny chest—when they ask in amazement HOW you did it—tell them about the Magic Secret of DYNAPLEX!
